

CURRICULUM VITAE
Michael Scott Ingber, M.D.
3155 Route 10E, Suite 100
Denville, NJ 07834
www.specializedwomenshealth.com

EMPLOYMENT

2012-Present **Garden State Urology/Atlantic Medical Group** Denville/Whippany, NY
■ Board Member & Director of specialty division The Center for Specialized Women's Health

2011-Present **Weill Cornell Medical College** New York, NY
■ Assistant Clinical Professor of Urology

2010-Present **Healthcare Affiliations**

- Saint Clare's Health System Denville & Dover, NJ
 - Attending Physician, Director of Urogynecology, President, Research Evaluation Committee
- Morristown Medical Center Morristown, NJ
 - Attending Physician
- Hackettstown Regional Medical Center Hackettstown, NJ
 - Attending Physician
- Franklin Surgical Center Basking Ridge, NJ
 - Attending Physician

TRAINING

2008-2010 **Cleveland Clinic** Cleveland, OH

Fellow in Female Pelvic Medicine and Reconstructive Surgery/Urogynecology.

Specialty training in female urology, pelvic floor reconstruction, male and female incontinence surgery, neurourology, robotic and laparoscopic surgery including single-port procedures, urodynamics and neuromodulation.

2004-2008 **William Beaumont Hospital** Royal Oak, MI

Resident Physician in Urology

Trained in all aspects of general urology, including pediatric urology, urologic oncology, laparoscopy, endourology, infertility and female urology.

2002-2004 **William Beaumont Hospital** Royal Oak, MI

Resident Physician in General Surgery

Michael Ingber, MD

EDUCATION

- 1998-2002 **Wayne State University School of Medicine** Detroit, MI
Doctor of Medicine with Distinction, awarded June 2002
Alpha Omega Alpha Member, Year Honors 1999, 2001
- 1994-1998 **The University of Michigan** Ann Arbor, MI
Bachelor's of Science awarded with Distinction, April 1998
GPA 3.7/4.0, Awarded Class Honors 1996, 1997, 1998 & Order of Omega, 1998

LICENSURE/CERTIFICATION

- 2013 **American Board of Urology**
▪ **Subspecialty Certification in Female Pelvic Medicine & Reconstructive Surgery**
- 2012 **American Board of Urology**
▪ **Diplomat**
- 2010-present **State Board of Medical Examiners of New Jersey** License 25MA08730700

BOOK CHAPTERS

- **Ingber M.** "Genitourinary Fistula Repair" In: Complications of Female Incontinence and Pelvic Reconstructive Surgery, Second Edition. Ed. Goldman H. Springer, in press, 2016.
- **Ingber M.** "Bladder and Urethral Anomalies" In: Advanced Urodynamics. First Edition. Ed. Firoozi F. Springer, in press, 2016.
- **Ingber M.** "The Use of Botox for the Bladder in Urology and Urogynecology" In: Female Pelvic Surgery. First Edition. Ed. Firoozi F. *Springer*, 2013.

PRESENTATIONS

- **Ingber M.** “Female Sexual Dysfunction: Arousal, Desire, and Pain Disorders”. Grand Rounds, Saint Clare’s Health System, Denville NJ March 2016.
- **Ingber M.** “Diagnosis and Management of Overactive Bladder, Interstitial Cystitis, and Voiding Dysfunction.”. ObGyn Grand Rounds, Morristown Medical Center, January 2016.
- **Ingber M.** “Understanding the Vaginal Mesh Controversy”. Medical Grand Rounds, Saint Clare’s Health System, Denville NJ Jan 2014.
- **Ingber M.** “Developing a Pelvic Muscle Rehabilitation Program for a Large Urology Group Practice.” Presented at LUGPA, Chicago, IL Nov 2013.
- **Ingber M.** “Urogynecology Therapies for the Bariatric Patient”. Presented at Bariatric Meeting, Saint Clare’s Health System, Denville NJ Sep 2013.
- Firoozi F, Gill B, **Ingber M**, Moore C, Goldman H, Rackley R, Vasavada S. “Group Shared Appointments Improve Patient Preparedness for Sacral Neuromodulation and Patient Reported Outcomes But Do Not Impact Objective Measure of Success.” Presented at American Urological Association annual meeting, May 2013.
- Firoozi F, Gill B, **Ingber M**, Moore C, Goldman H, Rackley R, Vasavada S. “Increasing Patient Preparedness for Sacral Neuromodulation Improves Patient-reported Outcomes Despite Leaving Objective Measures of Success Unchanged.” Presented at Society of Urodynamics, Female Pelvic Medicine & Urogenital Reconstruction conference, Las Vegas, NV Feb, 2013.
- **Ingber M.** Laparoendoscopic Single-Site (LESS) Hysteropexy. Video presentation, presented at Society for Urodynamics and Female Urology, Feb 2012.
- **Ingber M** and Littman P. “Update in Urogynecology: Treating Urinary Incontinence and Prolapse”, Medical Grand Rounds, Saint Clare’s Health System, Denville NJ Jun 2011.
- **Ingber M** and Goldman HB. “Screening for Hypoactive Sexual Desire Disorder in the Urology Office Setting.” presented at the American Urological Association annual meeting, May, 2011.
- **Ingber M**, Sajadi K, Moore C, Rackley R, Vasavada S and Goldman HB. “Midurethral Synthetic Slings in Women with Severe Lower Urinary Tract Symptoms.” presented at the International Continence Society/International Urogynecological Association annual meeting, August, 2010.
- **Ingber M**, Sajadi K, Moore C, Rackley R, Vasavada S and Goldman HB. “Incidence of Urinary Tract Infection After Single-Dose Antibiotic Therapy for Midurethral Slings” presented at the International Continence Society/International Urogynecological Association annual meeting, August, 2010.
- **Ingber M**, Firoozi F, Goldman HB, Moore C, Vasavada S and Rackley R. “Long-term Follow Up of Voiding Parameters and Surgical Recurrence After Urethral Diverticulectomy.” Presented at American Urological Association annual meeting, May, 2010.
- **Ingber M**, Firoozi F, Moore C, Vasavada S and Rackley R. “The Rackley Continent Neo-Urachus™ for Urinary Diversion.” Presented at American Urological Association annual meeting, May, 2010.
- Firoozi F, **Ingber MS**, Lee CL, Ching CB, Moore CK, Goldman HB, Vasavada SP, Rackley RR. “Sexual function and patient-perceived outcomes after urethral diverticulum repair Presented at American Urological Association annual meeting, May, 2010
- Firoozi F, Garrett KA, Gurland B, **Ingber MS**, Goldman HB. “Sacrospinous-suspended Urogenital Pelvic Prolapse and Rectopexy (SUPPORT) procedure.” Presented at American Urological Association annual meeting, May, 2010
- Firoozi F, **Ingber M**, Ching C, Moore C, Goldman HB, Vasavada S, Rackley R. “Sexual Function and Patient Perceived Outcome after Urethral Diverticulectomy Repair: 12-year Experience”. Presented at American Urological Association annual meeting, May 2010.

PRESENTATIONS CONTINUED

- **Ingber M**, Firoozi F, Goldman HB, Moore C, Vasavada S and Rackley R. “Force of stream After Sling Therapy (FAST): Midterm analysis of safety and efficacy of rapid discharge based on subjective report” presented at Society for Urodynamics and Female Urology, February, 2010.
- **Ingber M**, Firoozi F, Goldman HB, Moore C, Vasavada S and Rackley R. “Long-term Follow Up of Voiding Parameters and Surgical Recurrence After Urethral Diverticulectomy” presented at Society for Urodynamics and Female Urology, February, 2010.
- **Ingber M**, Firoozi F, Goldman HB, Moore C, Vasavada S and Rackley R. “The Rackley Continent Neo-Urachus™ for Urinary Diversion” presented at Society for Urodynamics and Female Urology, February, 2010.
- **Ingber M**, Firoozi F, Goldman HB, Moore C, Vasavada S and Rackley R. “Percutaneous Tibial Nerve Stimulation (PTNS)” presented at Society for Urodynamics and Female Urology, February, 2010.
- Firoozi F, **Ingber MS**, Moore CK, Goldman HB, Rackley RR, Vasavada SP. “Trends in female pelvic medicine and reconstructive surgery exposure during urology residency” presented at Society for Urodynamics and Female Urology, February, 2010.
- Firoozi F, **Ingber MS**, Moore CK, Vasavada SP, Rackley RR, Goldman HB. “Purely transvaginal technique and management of all forms of mesh-related complications from commercial prolapse kits” presented at Society for Urodynamics and Female Urology, February, 2010.
- Firoozi F, **Ingber MS**, Moore CK, Rackley RR, Goldman HB, Vasavada SP. “Sacral neuromodulation and patient preparedness: Does this improve perception of surgical outcome?” presented at Society for Urodynamics and Female Urology, February, 2010.
- Firoozi F, **Ingber MS**, Lee CL, Ching CB, Moore CK, Goldman HB, Vasavada SP, Rackley RR. “Patient-perceived outcomes and sexual function after urethral diverticulum repair” presented at Society for Urodynamics and Female Urology, February, 2010.
- Firoozi F, Garrett KA, Gurland B, **Ingber MS**, Goldman HB. “Transvaginal combined sacrospinous rectopexy and vaginal vault suspension” presented at Society for Urodynamics and Female Urology, February, 2010.
- Firoozi F, **Ingber MS**, Moore C, Goldman HB, Rackley R and Vasavada S. “Sacral Neuromodulation and Patient Preparedness: Does this Improve Perception of Surgical Outcome?” presented at Society for Urodynamics and Female Urology, February, 2010.
- Firoozi F, **Ingber MS**, Lee CL, Ching CB, Moore CK, Goldman HB, Vasavada SP, Rackley RR. “Patient-perceived outcomes and sexual function after urethral diverticulum repair” presented at International Society for the Study of Women’s Sexual Health annual meeting, February, 2010.
- **Ingber M**, Firoozi F, Stein R, Desai M, Goldman H, Moore C, Vasavada S, and Rackley R. “Single-port Transvesical Removal of Foreign Bodies of the Bladder” Presented at International Continence Society Annual Meeting, September, 2009.
- **Ingber M**, Firoozi F, Goldman H, Moore C, Vasavada S, and Rackley R. “Recurrence of Urethral Diverticula in the Era of MRI” Presented at International Continence Society Annual Meeting, September, 2009.
- Firoozi F, **Ingber MS**, Moore CK, Vasavada SP, Rackley RR, Goldman HB. “Mesh excision after transvaginal mesh kit placement” Presented at International Continence Society Annual Meeting, September, 2009.
- Firoozi F, McAchrans S, **Ingber M**, Moore CK, Goldman HB. “Short and intermediate-term complications of the Prolift™ transvaginal mesh procedure. Presented at the International Urogynecological Association Annual Meeting, June, 2009.

PRESENTATIONS CONTINUED

- **Ingber M**, Firoozi F, Stein R, Desai M, Goldman H, Moore C, Vasavada S, and Rackley R. "Single-port Transvesical Removal of Foreign Body" presented at American Urological Association annual meeting, April, 2009.
- **McAchrans S, Firoozi F, Ingber MS, Goldman HB.** "Home in 3 hours: Contemporary length of stay when using a perioperative care pathway for mid-urethral sling surgery" presented at American Urological Association annual meeting, April, 2009.
- **McAchrans S, Ingber M, Firoozi F, Goldman H.** "Reducing Length of Stay in Transvaginal Pelvic Organ Prolapse Repair." Presented at Society for Urodynamics and Female Urology, February, 2009.
- **Firoozi F, McAchrans S, Ingber MS, Moore CK, Goldman HB.** "Intermediate-term complications of the Prolift™ transvaginal mesh procedure" Presented at Society for Urodynamics and Female Urology, February, 2009.
- **Ingber M, Firoozi F, Goldman H, Moore C, Vasavada S, and Rackley R.** "Laparoscopic Single-Port Transvesical Removal of Foreign Body" Presented at Society for Urodynamics and Female Urology, February, 2009.
- **Ingber M, Firoozi F, Goldman H, Moore C, Vasavada S, and Rackley R.** "Recurrence of Urethral Diverticula in the Era of MRI" Presented at Society for Urodynamics and Female Urology, February, 2009.
- **McAchrans S, Ingber M, Firoozi F, Goldman H.** "Reducing Length of Stay in Transvaginal Pelvic Organ Prolapse Repair." Presented at Society for Urodynamics and Female Urology, February, 2009.
- **Ingber M, Killinger K, Ibrahim I, and Peters K:** "The Effect of Neuromodulation on Female Sexual Function." Presented at the Society for Urodynamics and Female Urology Annual Meeting, February 2008.
- **Ingber M, Turzewski C, Hollander J, and Diokno A:** "Does Periprostatic Nerve Block Reduce Pain During Prostate Biopsy? A Double-Blind, Randomized, Placebo-Controlled Trial." Presented at 2007 WBH Research Forum Competition, Won award for 2nd place overall.
- **Ingber M, Killinger K, Ibrahim I, and Peters K:** "The Effect of Neuromodulation on Female Sexual Function." Presented at Podium session AUA North Central Section, 2007.
- **Ingber M, Turzewski C, Hollander J, and Diokno A:** "Does Periprostatic Nerve Block Reduce Pain During Prostate Biopsy? A Double-Blind, Randomized, Placebo-Controlled Trial." Presented at Podium session AUA North Central Section, 2007.
- **Ingber M, Peters K, Graziottin A, Diokno A.** "Incidence of Pelvic Surgeries in Women With Interstitial Cystitis." Presented at Podium Session, AUA North Central Section, 2006.
- **Ingber M and Sirls L.** "Evaluation of the BioArc Transobturator Vaginal Sling." Presented at Michigan Urologic Seminar, 2006.
- **Ingber M and Shetty S.** "Frozen section evaluation of pelvic lymph nodes in radical prostatectomy: Is it still relevant?" Podium Presentation, AUA North Central Section, 2005.
- **Ingber M and Peters K.** "Technique for posterior implantation of the tined quadripolar lead" Presented at Poster session AUA North Central Section, 2005
- **Ingber M and Sirls L.** "Early evaluation of the BioArc transobturator vaginal sling." Presented at Michigan Urologic Seminar, 2005
- **Rubens S, Ingber M, Amin M, de-Peralta Venturina M, Malhotra R and Shetty S.** "Pathological Significance of the Invaginated Extraprostatic Space Invasion by Prostatic Carcinoma: A Precursor to Seminal Vesical Invasion and its Utility in Evaluating Robotic Prostatectomy Specimens." Presented at Podium Session, AUA North Central Section, 2005.

Michael Ingber, MD

PRIOR RESEARCH

- 2001 **Karmanos Cancer Institute** Detroit, MI
- Research Assistant in laboratory investigating the expression of human epidermal growth factor receptor protein (ERRP) in muscle-invasive bladder cancer. Principle Investigator: Dr. Fazlul H. Sarkar.
- 1995-1996 **The University of Michigan** Ann Arbor, MI
- Research Assistant in laboratory focusing on building a cDNA library for the BRCA1 genome. Principle Investigator: Dr. David Kurnit.

WORK EXPERIENCE

- 2015-present **Cynosure, Inc** Westford MA
- Proctor & Speaker for CO2 fractional ablative therapy for treating postmenopausal atrophy
- 2015-present **Stimguard LLC** Miami, FL
- Head of Scientific Advisory Board for Phase II clinical trial evaluating a novel neuromodulation therapy for treating urinary frequency and urge urinary incontinence.
- 2012-present **Allergan** Irvine, CA
- Speaker on use of Botulinum toxin for Neurogenic Detrusor Overactivity and Idiopathic Overactive Bladder
- 2011-present **Urogen Pharma** Ra'anana, Israel
- Scientific advisor on projects relating to Interstitial Cystitis, overactive bladder, bladder cancer
- 2010-present **Astora Women's Health** Minnetonka, MN
- Consultant & Proctor for urinary incontinence & pelvic reconstructive surgical procedures
- 2011-2014 **Warner-Chilcott** Dublin, Ireland
- Consultant & Speaker on Estrace vaginal cream for vulvovaginal atrophy
- 2000-2010 **TeenHealthInfo.com** Royal Oak, MI
- Co-owner and developer of Internet site devoted to educating teenagers about their health.
- 1998-2000 **Sexually Transmitted Disease Educator** Detroit, MI
- Educator to junior high school and high school students in Detroit about sexually transmitted diseases in lecture format in their schools.
- 1997-1998 **Kaplan Educational Centers** Ann Arbor and Southfield, MI
- MCAT (Medical College Admissions Test) Instructor in Physics, Chemistry and Biology
- 1994-1998 **Weed Whackers Landscaping** West Bloomfield, MI
- Owner and proprietor of local landscaping business. Managed crew of 15 college students

Michael Ingber, MD

EXTRACURRICULAR ACTIVITIES

2011-present **Growing Hearts of Africa**

- Trustee for organization dedicated to fundraising and building schools for children throughout Ethiopia.

2007-present **The Dr. Michael Ingber Africa Fund, Inc.**

- Manage nonprofit foundation and website (www.surgicalaid.org) dedicated to sending urologists to Africa to perform surgery on men, women and children in need

1998-2000 **Ultrasounds A Cappella Ensemble**

- Managed A Cappella singing group through Wayne State University medical school

1998-1999 **Jewish Medical Student Association**

- Secretary responsible for internal and external correspondence

1998-2003 **University of Michigan Dance Marathon**

- Assistant Director and member of Board of Directors for charity event having raised more than \$2 million benefiting pediatric rehabilitation at William Beaumont and Mott's Children's Hospitals.

1995-1998 **Delta Sigma Phi Fraternity**

- Founding father and president of Alpha Theta Chapter at the University of Michigan
- Awarded "Greek Man of the Year" in 1998 and "Allan Lutes award for Outstanding Chapter President" in 1997

LANGUAGES

Fluent in written and oral Spanish

PERSONAL

- Wife Lori Barer Ingber, MPH, PhD; Founder and President of Parentmatch.com.
- Four children, ages 6-11 years
- Hobbies: basketball, football, golf, tennis, playing the piano, singing
